KISKI AREA SENIOR

HIGH SCHOOL

Leechburg, Pa.

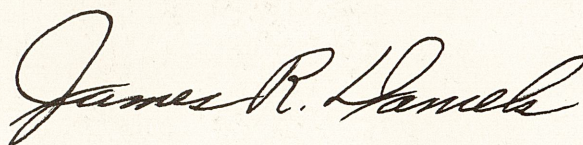

Nineteen Sixty-Four — Sixty-Five has been an eventful year at Kiski Area Senior High School. This yearbook has been published partly to record some of these events.

Beginning in the fall with an undefeated, untied football team, Kiski moved forward through a very successful year which was capped by the graduation of over 600 seniors. It may be said that with the graduation of this class, Kiski High School has come of age, for this is the first class to have spent all three years here.

As we look back over this year, three things stand out. For the first time foreign exchange students came to study with us; and for the first time, students from this high school went to South America to study. It was with a deep sense of pride that we learned one of our students had become a finalist in the National Merit Scholarship Program, and three other students had won Letters of Commendation.

The faculty of Kiski Area High School was busy throughout this year writing courses of study and preparing for the evaluation which took place in April. Preparation for this evaluation began as early as the fall of 1963. For nearly one and a half years the faculty and administration were busy preparing these courses of study and taking part in what is known as a self-evaluation. Many good things have already come from the preliminaries of this evaluation, and many more will come in the future. New courses of study have already been added, and more will be added as we go along.

As you go through this yearbook — the **Campus** of 1965 — which is the largest book to be published at this school, you will see and you will read of many other activities which have taken place — academic, athletic, and social. May it bring back pleasant memories both now and in the years to come.

A handwritten signature in cursive script that reads "James R. Daniels". The signature is written in dark ink and is positioned above the printed name and title.

They Brought a New Spirit to

to Kiski

Kiski 65

A fresh new spirit emerged and flourished in September.

Together, the Kiski Area football team and the Cavalier marching band captured the student body with their 10-0 gridiron performance and their marching finesse wearing new uniforms. The result was an explosive school spirit that set the pace for the whole school year.

These activities, along with others included in these first 19 pages, comprise the New Perspectives which give 1964-65 a uniqueness that will long be remembered by Kiski's pioneer class.

Homecoming Queen. Jackie Maffeo is crowned by Mr. Daniels in a mid-field ceremony prior to the Jeannette football game. Her escort is Danny Hill.

Homecoming Court. These ten senior girls were selected by their class as Homecoming Queen candidates: **FRONT ROW:** Bonnie Pugliese, Jackie Maffeo, Juliana Orkwis,

Cheryl Endlish, Debbie Zahumensky, Susan Anderson, Teresa Pati, Maxine Kowalczyk. **BACK ROW:** Sharon Mohney, Rose Marie Hoffman.

Kiskians Make News in Many Ways

Varied is the word for the way that students and faculty made news in 1964-65.

Ed Oliver won the 100 and 220 yard dashes in the WPIAL Class AA track Qualifier. Phil Booker stole headlines by scoring 144 points on 24 touchdowns, placing third in state scoring. Tom Chepel won the local Voice of Democracy contest with his tape recording of "The Challenge of Good Citizenship."

Teachers in the news: Mr. Robert Yajko, whose photographs of the December lunar eclipse appeared in the Valley Daily News. Mr. Harold Egelsky was the only Pa. teacher selected in nationwide competition by the NDEA Russian Language Institute held at Indiana University.

Foothills Conference Rotating Trophy. Mr. James Daniels, principal, and Mr. Richard Dilts, head football coach, accept the trophy along with a smaller permanent trophy from Mr. Paul Bingaman, president of the Foothills Conference and principal of Hempfield Area High School.

A Traditional Christmas Minus the Snow

No snow was the forecast for Christmas and for once the weatherman was right. But Kiski still displayed a holiday atmosphere and continued its young Christmas traditions.

The Hi-Y strung lights on the permanent evergreen in the patio while the Home Economics students prepared for and served at the Annual Faculty Tea.

The combined sounds of the Cavalier band and chorus were featured at the Christmas assembly. And on Christmas night, Channel 4, WTAE, telecast a portion of the performance.

Senior Class Size — 609 —

The Senior Class of 1965 will be remembered for a long while as the class that danced the most couples at the Junior-Senior Prom, that rented the most caps and gowns for graduation, and that was so large that it necessitated Kiski's first — and perhaps only — out-of-doors graduation.

In comparison, next year's senior class will number approximately 400, and 430 the year after.

Pictures on these two pages are from the Southern Ball and Commencement during the spring of 1964.

— To Go Unchallenged for Many Years

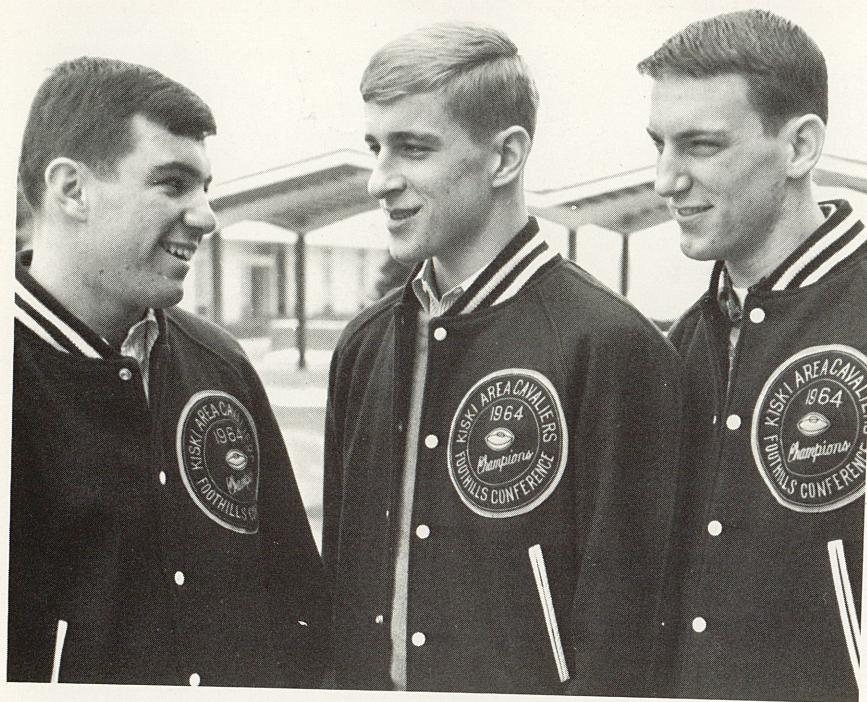

A Year of Growth

By the year's end most of the empty shelves in Kiski's three year old library had taken on a show of color. This year alone over 1500 new volumes have been catalogued by Mr. Thaddeus Kulas, Librarian, and his student assistants. Growth took other forms. Auto insurance rates were increased, effective January 1, making it more economically sound for students to schedule driver's education with instructor, Mrs. Lillian Lankerd. And a new foreign sound filled the language lab as Miss Betty Keesey introduced German into the curriculum.

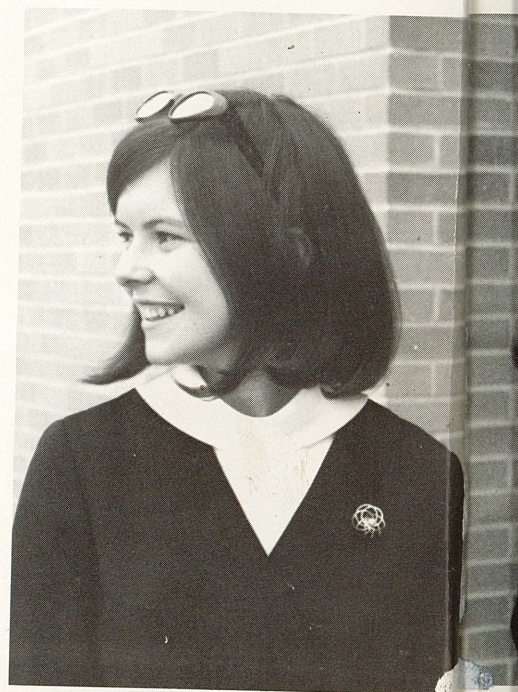

A very exclusive fashion that money can't buy: Joe McCain, John Gaydeski, and Danny Fasio display the Champions jackets that were awarded to all members of the 1964 football team.

The Year of the Tiger in Your Tank

Knit, knit, everyone knit! In the sewing room, in the cafeteria, on the bus. But, please, knit not in class.

Fadwise and fashionwise, this was the year that was: Nation-wide, tiger tails hung from the gas tanks of American cars while, locally, KDKA's Rege Cordic focused mass attention on the Bridge to Nowhere with his Bridge Leap bumper stickers. And Kiski High helped introduce a handful of new fads and fashions that are not destined for immortality but helped make 1964-65 a colorful year: ironed hair, Kiski sweat shirts, patterned nylons, and high-perched glasses.

Two heads are better than one. The Grues-M Twos-M (Albert Perri and friend) entertain at the Monster Dance.

Kiski and South America Meet in

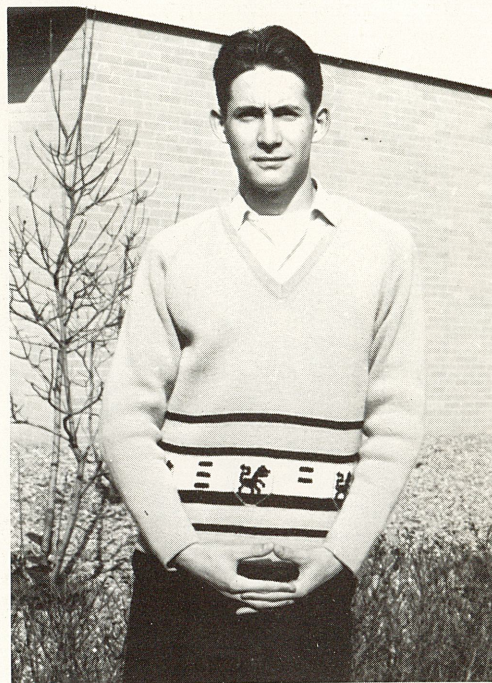

Kathy Silvus, Cathy Grayson, Bonnie Scalzott, Joetta Wigle: they visited South America.

in School's First Foreign Exchange

Four young ladies from Kiski boarded a plane for South America at the Greater Pittsburgh Airport last summer and became the school's first participants in a program designed to help students learn the language of other nations and to gain an understanding of their culture.

In return, three South Americans visited Kiski during the past year. They included Sebastian Estades (Santiago, Chile), Yolanda Franco (Cali, Columbia), and Hebe Sumiacher (Rosario, Argentina).

The three-month visits were arranged under the International Fellowship Program.

ACTIVITIES

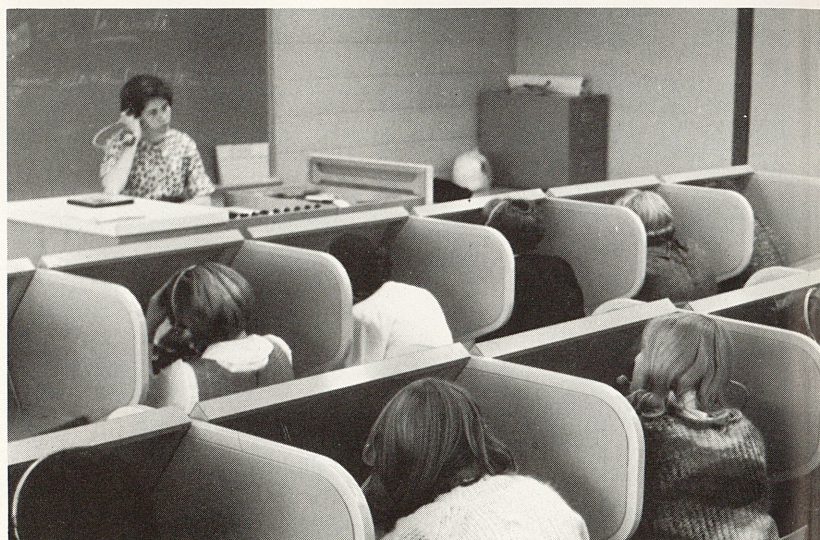

A Day at Kiski Area

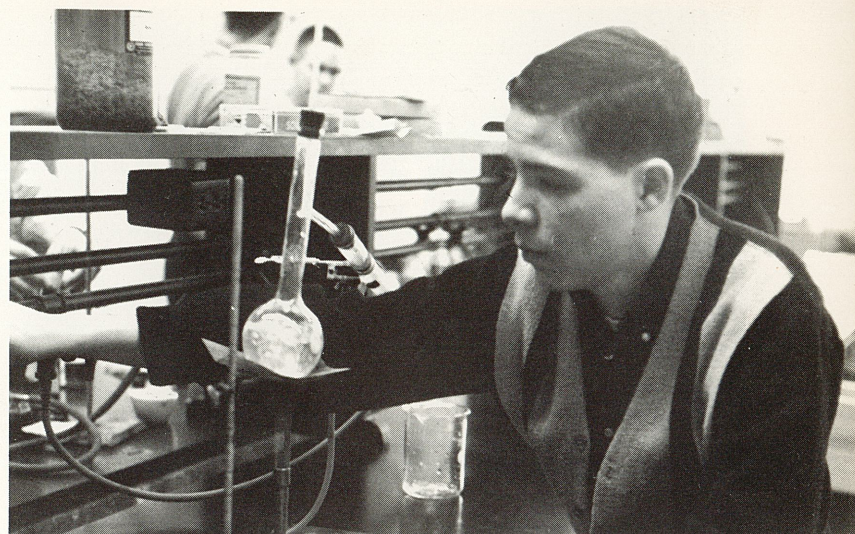

What is a day at Kiski Area like? It begins and ends with a bus ride. In between, there are a thousand moments filled with a thousand different things to do. I pledge allegiance . . . 10 to the right, turn left past 0 and stop at 16 . . . Why are you late . . . the Federal Reserve System was established in . . . Et tu, Brute . . . How was lunch today . . . Fight, Team, Fight!

Today, this portfolio of candid scenes may remind you of things already ultra-familiar. Tomorrow, when the names are forgotten and the faces vague, the moments — at least — will still strike a familiar note.

Champions Made by Design, Not By

This season was a very successful one, and it was not "by chance." The players and coaching staff knew the primary requisites for success; you must (1) realize your goal, (2) know what is necessary to accomplish this goal, and (3) be willing to devote time and effort to reach this goal. We call it "Believe."

Our boys wanted to be champions, knew what had to be done to become champions, and were willing to pay the price. They brought honor not only to themselves, but their school, parents and community.

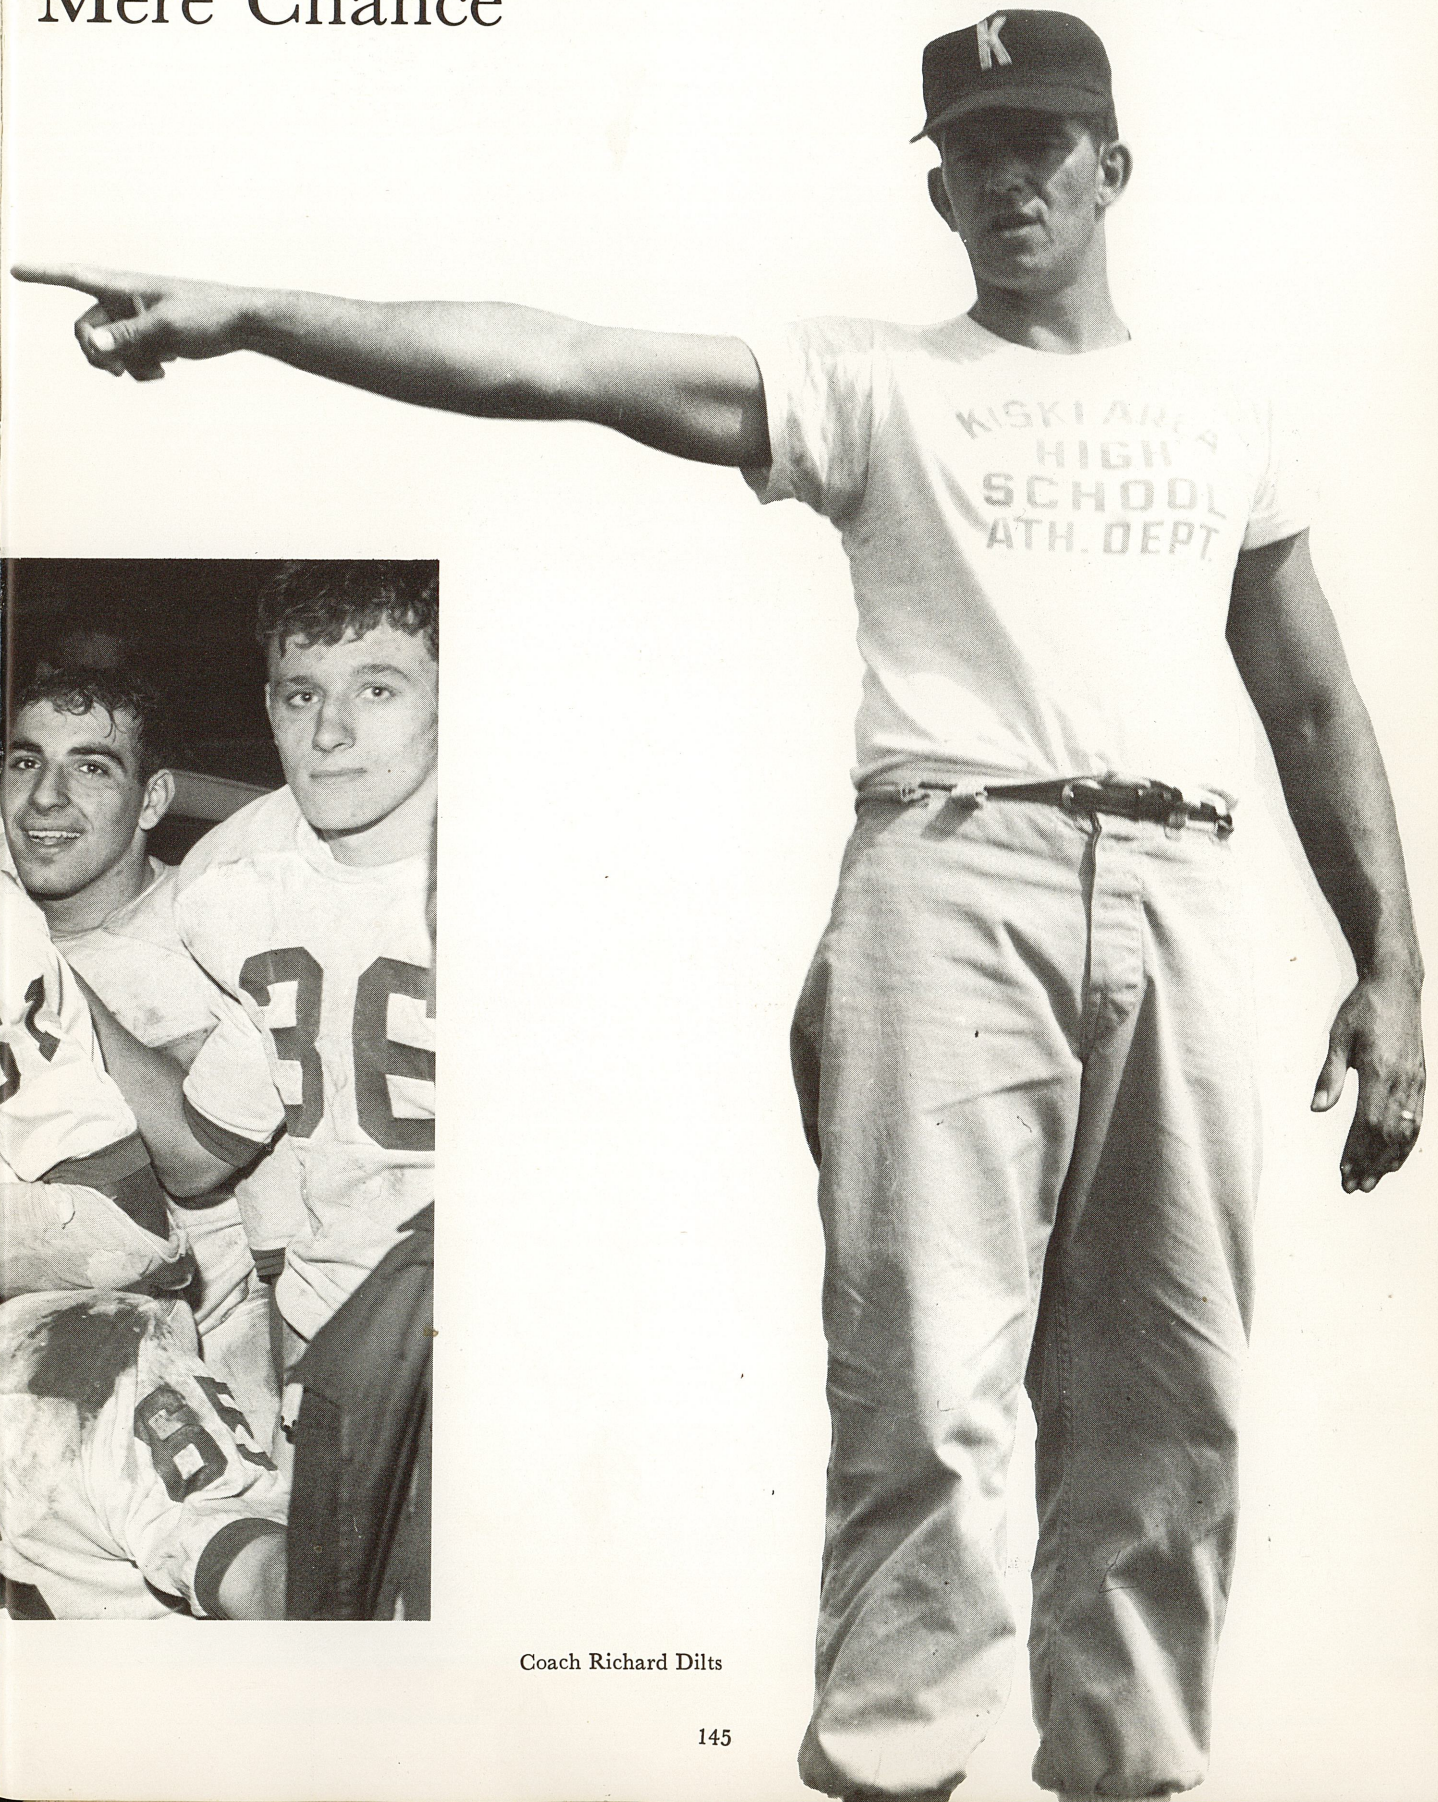

Words could not begin to describe the great respect and deep appreciation, which I have for the members of the coaching staff — they are the "best." I know that the players share this same feeling. Such a combination as this is hard to beat. In fact, it could not be beat. They were champions both on and off the field. They were Kiski Area and Kiski Area has every right to be proud.

The Season

Much has been said, printed, and photographed to capture the greatest gridiron season in Kiski's history. These two pages recall only a few moments of the past season. How much do you remember?

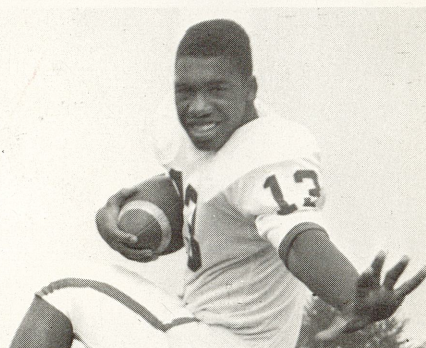

Morea and Dilts: you're on, Minik.

Managers: footballs and first-aid kits.

Clawson: we want a touchdown.

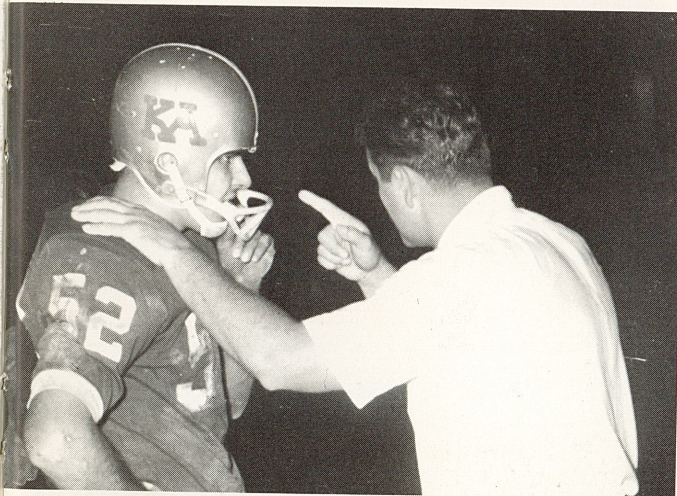

Booker: twenty-four touchdowns.

Champions and Their Successors

Kiski's Outmanned Basketball Team Maintains Spirit and Determination

Kiski Area, fielding the shortest team in Section I, played inspired basketball. The team was outmanned on almost every occasion, but always gave their best. Spirit and determination were never lacking.

A highlight of the season was the team's winning of the runner-up trophy in the Jeannette Invitational Tournament. This is the first award won by a Kiski Area basketball team.

Gymnastics Team Newest Entry in Varsity Competition

SEASON RECORD

Sixteen young men started out the second semester of the year by becoming the pioneers in the sport of gymnastics at Kiski High. Gymnastics emphasizes individual competition rather than team effort in the following events: floor exercise, side horse, horizontal bar, long horse, parallel bars, and rings.

Mr. Answine is their coach.
